Assembly:

Step 1:

Draw a diagonal line on the wrong side of the A background pieces. Place an A piece on the left side of a Q print piece, aligned as shown. Sew on the marked line, trim 1/4" away from the seam, and press.

Repeat for the right side, sewing an A background piece to the right side of the Q piece, aligned as shown.

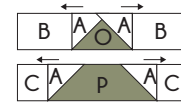

Sew a D background piece on the left and right sides of the Q piece.

Step 2:

Repeat Step 1 for pieces O and P, sewing an A background piece on the left and right sides.

Sew a C background piece on the left and right sides of the P piece and a B background piece on the left and right sides of the O piece.

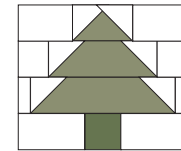

Step 3:

Sew an E background piece on the left and right sides of the L print piece.

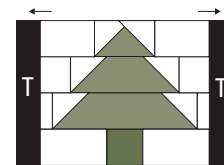

Step 4:

Sew the four sections together to make a tree unit. The unit should measure 6 1/2" x 7 1/2" unfinished.

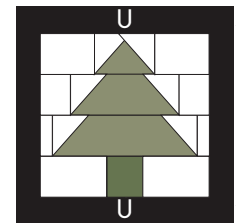

Step 5:

Sew a T print piece on the left and right sides of the tree unit.

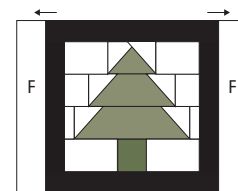

Sew a U print piece to the top and bottom sides of the tree unit.

Step 6:

Sew an F background piece on the left and right sides of the tree unit.

Step 7:

Draw a diagonal line on the wrong side of the G background squares. Sew one on the left and right sides of the S print piece, as you did in Step 1. The G pieces should be aligned as shown. This is the roof unit.

Step 8:

Sew an H background piece on the left side of the K print piece and an I background piece on the right side of the K print piece. This is the chimney unit.

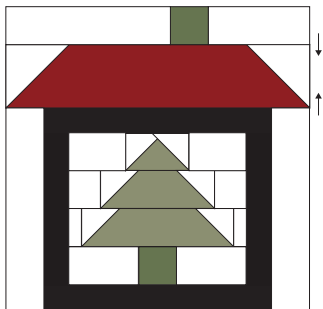

Step 9:

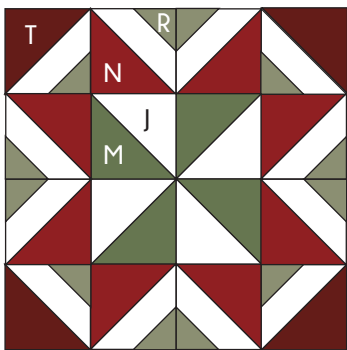

Sew the roof and chimney units above the tree unit as shown.

Background	J - 16 - 4" x 4" squares

Assembly:

Half Square Triangle Instructions:

Draw a diagonal line on the wrong side of a background square. Place the background square right sides together with a print square. Sew a 1/4" seam on both sides of the marked line. Cut down the marked line. Press the seams to the darker fabric. Trim the HST to 3 1/2" square.

Step 1:

Place two M print squares right sides together with two J background squares. Make HST's as shown above. Make two for a total of four HST's.

Step 2:

Place four N print squares right sides together with four J background squares. Make HST's as shown above. Make four for a total of eight HST's.

Step 3:

Draw a diagonal line on the wrong side of eight R print pieces. Place the print square on the background side of the N/J HST's, aligned as shown. Sew on the marked line, trim 1/4" away from the seam, and press. Repeat for all eight N/J units.

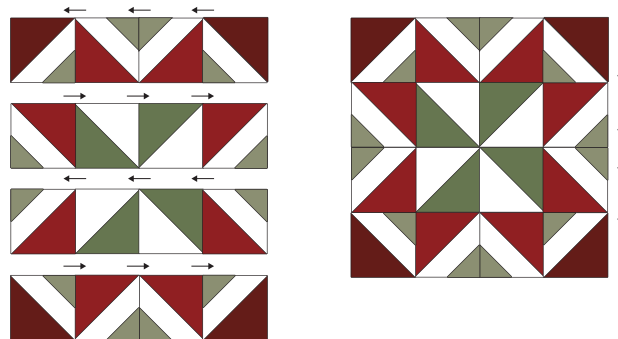

Step 4:

Repeat Steps 2 and 3 with T print squares and J background squares. Add eight R print squares to the corners of the background squares.

Step 5:

Assemble the side block as shown.
