18. Using a Sachiko Machine, stitch around the hedgehog, 1/4" away from the seams. You can also do this with embroidery thread and a running stitch by hand.

19. Layer together the pillow front, batting and pillow front lining. Quilt as desired.

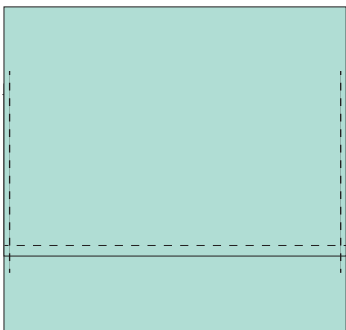

Pillow Back:

Pillow Back	2 - 16" x 20 1/2"

20. Hem one of the pillow back pieces by turning the bottom edge under 1/4" to the wrong side, then another 1/4". Sew just inside the folded edge. Repeat with the other pillow back piece, but hem the top edge.

21. Overlap the two back pieces so the piece hemmed at the bottom is on top of the piece hemmed at the top. Both should have right sides facing up, and they should overlap to form a 20 1/2" square. Baste along the sides where they overlap, 1/8" from the raw edge.
